

## **BLACKWELL ORIGINAL DRUMS** **Designers and makers of the BODdrum** **And Talking Bodhrán**

You can purchase BOD products by contacting us through the contact form on our website at [BODdrums.co.uk](http://BODdrums.co.uk) and letting us know what you would like. We will reply to confirm availability and packing and shipping expenses, and if you are happy with that, we will raise an invoice which you can pay in British Pounds Sterling via BACS, international funds transfer or PayPal.

Upon receipt of payment, we will ship the goods from England via tracked and insured delivery; someone will have to sign for the package. Be aware: any import or customs duties or taxes will be your responsibility. If you are outside the EU you may want to check the regulations and possible charges for your country.

Note: as a small UK business we are not VAT registered and hence do not charge VAT.

## Unique Drums:

As seen on our website, Hurricane Airbrush Art was given two 14 inch BODdrum shells to play with and the paint effects are fantastic.

When ordering, please indicate your choice of Hydraulic head (black) or Edge control centre spot head (pale grey – as seen on website for both models)

Ribbons, 14" BODdrum	£ 540.00
Carbon Fibre Effect, 14" BODdrum	£ 565.00
