BODdrum

Finished drum supplied with tuning wrench
Standard finish is matte black powder coating to automotive standard
Sizes refer to the skin/head size, actual drum is a little larger

Standard 14" diameter

Hydraulic head: £ 310.00

Edge control centre spot head: £ 310.00

Standard 16" diameter

Hydraulic head: £ 340.00

Standard 18" diameter

Hydraulic head: £ 370.00

Hand polished, unpainted aluminium finish available on all size drums available at the same prices as matte black powder coating

Alternative RAL palette automotive powder coat finish; add an extra: £ 60.00

Customised airbrush or any other finish to your design/requirements will be priced on application

BODDrum Kit

We've put together a package deal which would save you more than £50.00 from the cost if purchased individually

- Standard 14" diameter BODDrum with choice of head
- Protection Racket case
- BOD Beater
- Tuning Wrench

BODDrum 14" Kit £372.00

Unique Drums:

As seen on our website, Hurricane Airbrush Art was given two 14 inch BODdrum shells to play with and the paint effects are fantastic. Each Hurricane Airbrush Art finished drum is uniquely signed and numbered.

When ordering either of the 14" drums, please indicate your choice of Hydraulic head (black) or Edge control centre spot head (pale grey – as seen on website for both models)

Ribbons, 14" BODdrum £ 500.00

Carbon Fibre Effect, 14" BODdrum £ 550.00

Specials:

We have two classic matte black finish 16" BODdrums with transparent hydraulic heads. Same spec, same resonant mellow sound as our black hydraulics

Matte black finish 16" BODdrum, blue transparent hydraulic head £ 340.00

Matte black finish 16" BODdrum, red transparent hydraulic head £ 340.00

Additionally, we have two 16" BODdrums with fabulous metallic finishes, with a subtle sparkle embedded in the paint colour.

Blue metallic finish 16" BODdrum, transparent blue hydraulic head £ 390.00

Red metallic finish 16" BODdrum, classic black hydraulic head £ 390.00
